2021 SEAS Cup Specific Sailing Instructions

These Specific Sailing Instructions are to be read together with the General Sailing Instructions for SouthEast Alaska Sailing (SEAS). In case of conflict, these Specific Sailing Instructions apply.

SEAS Cup entry requirements:

All entries will pay to race. The entire series = \$50.00 or per race = \$10.00 collected pre-race.

An entry shall consist of a single-hulled sailing boat, a named skipper who shall be at least 21 years of age, and a crew appropriate to the size and equipment of the boat. Boats not previously rated under PHRF by SEAS must fill out the appropriate rating form and submit it at least 48 hours before the race to permit a proper rating. All boats must meet minimum Coast Guard equipment requirements. A 2019 Coast Guard Auxiliary Safety Inspection is also recommended (Besides - they are free!).

There will be a skipper's meeting at 7:30 AM the day of the race to discuss race specific issues, collect entry forms and fees, discuss weather forecasts, provide an opportunity for crew to find a boat, etc. The meeting will occur at Downtown Harbor Office.

All skippers are strongly advised to attend the skipper's meeting. To assist in pre-race planning, and if unable to attend the skippers meeting, skippers with club-membership may pre-register for the individual races at the SEAS website (http://seasailing.us/).

Race starts will occur at the times, dates, locations as described below. All racing will cease no later than 2100. Any boat not yet over the respective finish lines will be recorded as a 'did not finish' (DNF). Each boat shall record its time and report to the designated race official ASAP. This can be done by calling the race committee member or emailing your times to commodore@seasailing.us. If times are not received within 24 hours the boat may be disqualified from the race.
